Nick,

I'm sorry the timing didn't work out for our first meeting. We would still like you to participate in this discussion if possible.

We are looking at April 28th from 3-4:30PM for our next meeting at Pacifica Law Group.

Please let me know if you're able to attend.

Thank you!

Councilmember Licata,

I hope you're well. You might remember me from the 594 campaign where I was the Deputy Campaign Manager. I continue to do a lot of work related to that campaign as well as in the gun violence prevention space in general.

Part of my work now includes doing some gun-portfolio innovating with Nick Hanauer and Zach Silk.

We are putting together a group to brainstorm opportunities at the local level to work-around preemption as it relates to gun laws. This is a strategy we think needs to be sussed out and developed further- both to keep up an "all-fronts" strategy and to get creative about how we curtail gun irresponsibility.

We're including folks from the mayor's office, public health, and of course Zach, Nick and myself as well as Christian.

I would love for you to be a part of this small table conversation. Obviously this work is just getting started so we'd like to keep it close to the vest for now.

If you can think of others that might also be a good fit to participate let me know that as well!

Take care and let me know what you think!
